Re: Rio Algom Corporation
ACT/037/001 (A) & (B)
Lisbon Mine (A)
Humecca Uranium Mill (B)
San Juan County, Utah

Because of the varying active lives of the HUMECCA URANIUM MILL and the LISBON MINE, both operated by Rio Algom Corporation, the surety for these two (2) phases of the operation will be computed seperately.

Notices for public comment will also be published seperately as individual operations.
